IKO US Commercial Pricing Announcement TPO/ISO/Accessories

Effective: **March 15, 2025**

To Our Valued Customers:

Due to the rate of raw material inflation and the uncertainty around future raw material costs, we are announcing a price increase for our Commercial TPO and ISO products beginning March 15, 2025. The increase percentages are in the table below:

Product Lines	Increase %	Effective Date
TPO Membranes	Up to 3%	March 15, 2025
TPO Accessories	3% to 5%	March 15, 2025
Poly ISO	Up to 5%	March 15, 2025

All orders shipped on or after March 15, 2025, regardless of order date, will be invoiced at the new pricing. Existing job quotes will be honored but extensions will not be granted.

Our actual pricing will be communicated and updated price lists will be distributed as we get closer to the March 15th date.

Should you have any questions or require further clarification, please do not hesitate to contact your local IKO representative.

We thank you for your continued support of IKO US Commercial products.

Sincerely,
